

APPENDIX J: STAFF DEVELOPMENT PROCEDURE FORM

Staff Development Procedure for Full-Time APAS Bargaining Unit Members

1. Pursuant to Section 6.3 of the collective bargaining agreement, a bargaining unit member who wishes to attend a conference, seminar, workshop or other professional development opportunity will complete the staff professional development application. (If the staff development opportunity involves travel the bargaining unit member will also complete an expense report (Concur) prior to traveling.)
2. The application will then be reviewed by the employee's immediate supervisor who either approves or denies the request.
3. If approved by the supervisor, and if he or she is not the signature authority, the application will then be forwarded to the signature authority of the funding source for approval.
4. The cost of the professional development should be charged to the department's FOAPAL, using the following 2 account codes, in order to accurately record the expense.
 - 70-309 APAS Travel - This is professional development/training that requires an APAS union member to travel (Concur required).
 - 73-946 APAS Professional Development Without Travel - This is for payments to third parties for webinars, seminars, self study courses and continuing professional education where no travel is involved for members of the APAS union. This includes material costs paid by the department when fee remission is used. (Concur not required); See account: 901309 for APAS travel.

According to the agreement, the university agrees to pay an amount not to exceed \$500.00 each fiscal year for any full-time employee whose request for staff development is approved in accordance with Section 6.3. Please keep in mind that due to the current travel freeze, any leave beyond the \$500.00 APAS funding must be pre-approved by the appropriate division official (i.e., President, Provost or Vice President).
5. These expenses are subject to audit review. Therefore, a copy of the approved staff professional development application should be kept on file in the department that incurred the related expense.
